**SUMMER
INTERN
PROGRAMME
2022**

Summer 2022 will be an amazing year for working in Cyprus. You will be joining one of the oldest businesses in Latchi. Cyprus Mini Cruises is a family-owned business founded by our Grandfather Captain 'Giangos' in 1982 and this year we are celebrating 40 years at the helm.

THE SUMMER INTERN PROGRAMME FOR 2022 IS A HUGE OPPORTUNITY FOR PEOPLE OF ALL AGES, THAT ARE LOOKING FOR AN ENTIRELY NEW WORK EXPERIENCE.

If you are over 18 years old and can work between May & September - email info@cyprusminicruises.com with your contact details, an introductory letter and your CV/Resumé. If you have an interest in sea-going experiences. Love swimming in the warmest sea in the mediterranean or simply enjoy helping people whilst being in the fresh and clean air here in Cyprus you're going to be perfect for our intern programme.

Cyprus Mini Cruises is the largest and oldest cruising company in Latchi. We specialise in Cruises, Private Party Boat Hire and Yacht Charters to the famous 'Blue Lagoon' in the heart of the Akamas National Park.

This is a unique opportunity to work in a family run business that is part of the history and the fabric of Latchi. It will be a busy summer season with thousands of visitors, and if you do a great job, and love working in the most beautiful part of Cyprus there is always the possibility to work during the following year. It is not for the faint-hearted mind you, it is an extremely busy few months. Plus, we'll want you to be involved in helping us with all aspects of our business. You need to be fit and able to manage the heat of the summer. You must be eligible to work in the EU. Spoken languages in addition to Greek or English are also beneficial. **We provide accommodation and wages.**

So, what are you waiting for? Best wishes. Theo!
